The World Championships in Bad Münden are opened!

Heinz-Josef Sprengkamp

The 2013 Minigolf World Championship in Bad Münden is opened. This week the spa town in Lower Saxony is gripped by minigolf fever. Bad Münden welcomes more than 150 sportswomen and sportsmen, representatives and coaches from 28 nations. This is the fifth great international event taking place in Bad Münden following the 2003 und 2012 Junior World Championships, 2003 World Championships and 2004 Senior European Championships. The first Minigolf World Championships took place 1991 in Oslo. During the open ceremony Dr. Zimmermann, WMF- und DMV-President, thanked the many sponsors and politicians of lower saxony for their support. Already in the line-up before the Martin Schmidt-concert hall in Bad Münden, where the opening ceremony took place, all the nations present were received by the locals with much applause. In the hall young children and the national anthem accompanied the respective flagbearer to the stage. For good humor ensured the band "Street Life" and thereby also the performance of a WM Volunteer, who slipped into the role of Trimmy, sports mascot of the DOSB and three jugglers who gave masterful teamwork. WMF Sports Director Pasi Aho: „This was exemplary for the upcoming competitions." After the draw for the starting order Pasi Aho officially opened the World Cup. With finger food and stimulating conversation the opening day came to an end.
